Carleton Endowed CE Primary School

Newsletter Date: 12th November 2021

EYFS:
This week we have been:
- Learning about celebrations in Autumn.
- Creating art whilst thinking about Remembrance Day.
- Matching numerals to quantities and making and saying which group has more and which has fewer.
- Beginning to put our Nativity together from the beginning to end. Thank you for your costumes so far.

Next week we will be:
- *Comparing baby photographs to themselves today!*
- *Exploring circles and triangles and using positional language.*

Year 2:
This week we have been:
- Learning how to subtract two digit numbers when crossing ten.
- Exploring different movements in our gymnastics lessons.
- Finding out what life was like for Catholics during the reign of King James 1.

Next week we will be:
- Continuing to construct our shared class persuasive letter to the felt tip pens. Talk to your child about what has happened in our classroom and the reason why we are writing this letter!
- Investigating why animals hibernate.

Our School Library

We are on the lookout for **two parent volunteers** who would be willing to come and help organise and tidy our school library every week. If you are able to offer half an hour- hour every week and would be interested in volunteering with us, please speak with **Miss Sigsworth** or email the office.

Year 1
This week we have been:
-Making levers in DT
-Learning all about which animals hibernate
-Continuing our story of Pinocchio
-Learning about greater than and less than in maths.

Next week we will:
-Continue practicing our nativity performance
-Learning all about which animals migrate.

Year 3:
This week our basketballers performed magnificently at the festival & represented our school beautifully - very proud! We have been working hard on our addition & subtraction methods and we had a police visitor in school teaching us all about online safety which ties in with our computing work.
Next week we will be tackling our independent write for the close of our poetry unit & putting our gymnastic floor sequences together.

Class 4:
We're continuing to work hard on writing interesting sentences about The Lost Thing, and we've been converting between different units of length in Maths. In RE, we've listened to music about the Trinity and in DT we sampled and evaluated different salads, to get ready to make our own!

Well done to the fantastic 7 who represented Carleton at the Craven Cross Country finals, there were some amazing results from our children, special mentions to Monty who came 1st, along with Noah and William also finishing in the top 5 for their races!

Year 5:
This week :
- Whole school 'Online Safety' workshop.
- Science light experiments.
- Writing a balanced argument in Literacy.

Next week:
- Basketball Challenge

Children in Need Day:
Wear yellow
Strictly come dancing on the Friday
Pudsey Mask competition
Thursday and Friday -Lolly Stall run by the School Council.

Year 6:

This week we have started our journey to the Antarctic reading our book Shackleton's Journey and the children have written some fantastic letters back home to their families.

Next week we are going to be learning about why children were evacuated during World War 2.

We are going to be learning about planets in the solar system.
