

Carleton Endowed CE Primary School

A faithful community that loves, lives and learns with hope and joy; where everyone is valued and encouraged to flourish.

Friday 26th January 2024

Dear parents and carers

So after snow and ice last week, we have been battered by wind and rain this week! You may have noticed that our PE shed suffered irreparable damage from Storm Isha earlier in the week, and we are now in the process of replacing it.

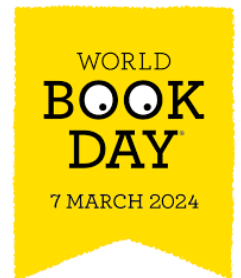

Dance club

There are still a couple of spaces left at the Y3/4 dance club with Howard on 3:15 – 4pm on a Tuesday night. The club runs until Easter at a cost of £2 per session.

World Book Day

This year World Book Day falls on Thursday 7th March. We will be asking children to come to school dressed as a character from one of their favourite books, and if possible to bring the book to school with them. Please don't feel you need to buy an expensive costume, there are lots of ideas online for simple costumes that you can put together at home.

We are aware that some of our children do not like dressing up. If your child would prefer to wear their uniform, that is completely fine. They can still bring a favourite book with them.

Carleton Village Panto – Alice in Wonderland

Pantomime season is upon us and rehearsals for Carleton panto are well underway. The panto takes place in Carleton Village Hall 15th-17th February and stars lots of local personalities including several of our children. The information is attached to this newsletter and tickets can be purchased on the link below

Rugby festival

Next Friday year 3 and Year 5 will be attending a rugby festival at Sandylands. Year 3 will be there in the morning and year 5 in the afternoon – Can Y3 and Y5 please come to school wearing PE kits and their trainers. The children will travel to and from the event by mini bus.

Healthy snacks

Please could we remind parents that we encourage all children to eat the school fruit at morning break time. They may bring their own healthy snack if they wish, but please can we ask for no crisps or chocolate biscuits.

Unlocking Autism courses for parents

Please find attached Flyer from the Local Authority about the free Unlocking Autism courses that they are running for parents over the next two terms. They are also running Unlocking ADHD and

Unlocking SEMH. Your child does not need to have a diagnosis for you to take part in these courses

Parent Support Group - Supporting your child: self esteem

The next support group will be held on: Tuesday 20th February 2024, 10.30am or 7.30pm and the topic for March's group is: "Supporting your child: Self Esteem".

The Parent Support Group is an online group, facilitated by NHS mental health practitioners. The group is a safe space for parents to get together, share their experiences and build positive relationships. A different subject is discussed each month and parents will receive useful information and strategies around the chosen monthly topic.

If parents are interested in attending, please ask them to contact the team

at: mhstparentsupport@bdct.onmicrosoft.com (details are on the poster attached with this newsletter).

We wish Year 5 all the best at the start of next week as they head off to High Adventure. Please keep an eye on our website, we will be posting photos there each night.

Kind regards,

Mrs H Dudman

Headteacher
