

Carleton Endowed CE Primary School

A faithful community that loves, lives and learns with hope and joy; where everyone is valued and encouraged to flourish.

Friday 23rd February 2024

Dear parents and carers

The learning is already well underway after the holiday and we have got straight back to it this week! All year groups should have received their curriculum maps and bulletins, please could we ask that children only wear PE kits on PE days, they need full school uniform for the rest of the week. Thankyou.

We are now in the season of Lent and for the next five weeks in Collective Worship we will be thinking about our Lent journey. This week the children thought about what they would need to pack if they were going away on a long journey. We considered that a torch can lead the way in the darkness and the children considered the important people in their lives who help and guide them when they are lost or needing direction.

Y4 Slingshot cars

This week Year 4 have started creating their slingshot cars for DT. They worked carefully with the glue guns to create a chassis by connecting lollipop sticks. They were able to follow instructions well and a few of the models were tested! They will be designing and adding a car body to their structures over the coming weeks – we can't wait to see their finished vehicles!

National Measles Incident - 'THINK' Measles

Further to the information in last week's newsletter please be aware of the following information sent on behalf of North Yorkshire Council's Director of public health

Please note the following are symptoms of Measles:

- Usually starts with cold-like symptoms
- High fever
- Sore red watery eyes
- Cough and/or runny nose
- Small red spots with bluish-white centres inside the mouth
- A red/brown blotchy rash which appears several days later, rough to the touch.

You should keep your child away from school for at least 4 days from when the rash first appeared and until they are completely recovered.

Keep your child away from babies, anyone who is pregnant and those with a weakened immune system.

Brownies 'Thinking Day'

On Thursday Brownies across Skipton went to school in their Brownie Uniform Ava and Amelia explained why:

"We are wearing our brownie uniform because today it is 'thinking day' for Brownies, Guides and Rainbows. So, we are celebrating all the girls who get to go to these clubs all around the world. We have been looking at uniforms from different countries and learning about uniforms that some of our teachers used to wear!"

Keeping children safe online

Are you trying to keep one step ahead of your child online? National Online Safety's free App is a really great resource for parents and carers. The App is packed with hundreds of courses, webinars and resources, and is described as a one-stop-shop for parents, carers and educators to gain the knowledge and skills they need to recognise and respond to online risks and keep children safe online.

Homework

We have recently reviewed our Homework Policy and a letter will be emailed out tonight which explains our Homework expectations and weekly schedule of activities for each year group.

Parents Evenings

This term's parent consultation evenings will take place on 11th and 13th March 3:30 - 6:00pm and we really hope that all parents will be able to make it. This is your opportunity to come along and see your child's books and discuss their progress with their class teacher.

The booking portal will go live on Monday at around 4 p.m. Please watch out for the link coming out to book your slot/s.

Kind regards,
Mrs H Dudman

Headteacher

Dates for your Diary
