Dear Parents and Carers

## Tennis Festival

Today the children in Years 4 and 5 went to Sandylands for a tennis festival. They practiced their serving, volleying and teamwork. They also practiced their listening skills. Well done to all of our children for representing our school so well.

## Healthy Schools online event

This week all the children in KS2 took part in an online event. This included workshops on the **benefits and risks of gaming for young people** and **Celebrating difference and being an upstander**. There was a lot of information to take in and the staff will be unpicking this with the children at an age-appropriate level.

## Y6 Transition

We have been asked by the Early Help team to share this transition resource created to support families of year 6 children moving up to secondary school this year. It is a youtube link and can be found [here](#)

## Online behaviour

It has been brought to our attention that some of our older children are being very unkind to each other online. We have spoken to lots of parents this week and are supporting the children in school to think about the messages they post. If you haven't checked your child's phone for a while please do check the way they are speaking to other children. Guidance for parents about online bullying is attached with this newsletter.

## Come in to school to read with your child

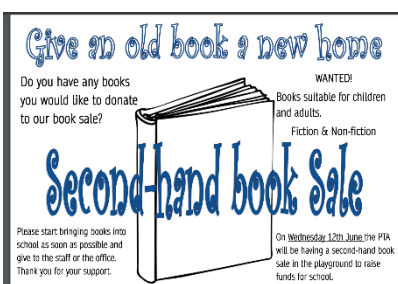

Today saw our second reading session for parents and carers. This time it was Y6's turn. There was a really lovely buzz in the room and it was great to see so many parents there. These weekly sessions are with opportunity to discover and share books together without the other pressures and distractions. Each year group will have a dedicated reading café date and these will run from 2:45- 3:15pm. Please see the diary dates below.

## PTA News

### Second Hand Book Sale

The PTA will be holding a second hand book sale on the playground on Wednesday 12<sup>th</sup> June. They will be collecting books for adults and children. If you have any books that you would like to donate please start bringing them in and hand to the office or your child's teacher. Thankyou

## Cake Sale

It will be Year 1's cake sale on Tuesday 30<sup>th</sup> April, please remember to bring some pennies!

## Year 5 Bike day

On Monday 10<sup>th</sup> June our Year 5 pupils will be taking part in a whole class bike day led by ex Olympic cyclist Phil Bateman from pro-ride cycling for schools. The day will consist of some training, challenges and games as well as some racing on the field. Phil will then be hosting a tournament on Thursday 13<sup>th</sup> June at Skipton Academy for schools in the Craven area, and 8 of our children will be chosen to compete in this as a race team. More information will be sent out nearer the time, but we wanted to give plenty of notice in case children want to practice their cycling, and because they will need to bring their bikes and helmets to school on that day. Phil has a limited amount of spare bikes if any child cannot get theirs to school on the day.
