Dear parents and carers

### High Adventure

The children in Year 5 had a fantastic time on their residential visit to high adventure this week. They took part in activities such as climbing, archery, bouldering, abseiling and underground exploration in the labyrinth. There were lots of activities to develop their teamwork skills and many of the children overcame fears and surprised themselves with what they can do. A big thankyou to Mr Poulter and Miss Turner for taking them and making it such an enjoyable experience.

### Year 3 and 5 Rugby

Today the children in Year 3 and 5 visited Sandylands for a rugby festival. They practiced their rugby passing skills and played a number of skills games, before competing against children from other schools. We saw some amazing individual performances, and it was great to see how far the children progressed in just one session. We were very proud of them all!

### Reception Glockenspiels

The reception children entertained us at parent worship this week with a rendition of 'Not too Difficult' on the glockenspiel. We all enjoyed hearing how far they have come in the short time they have been in school – Well done reception!

### World Book Day

This year World Book Day falls on Thursday 7<sup>th</sup> March. We will be asking

children to come to school dressed as a character from one of their favourite books, and if possible to bring the book to school with them. Please don't feel you need to buy an expensive costume, there are lots of ideas online for simple costumes that you can put together at home.

We are aware that some of our children do not like dressing up. If your child would prefer to wear their uniform, that is completely fine. They can still bring a favourite book with them.

### Carleton Village Panto – Alice in Wonderland

Pantomime season is upon us and rehearsals for Carleton panto are well underway. The panto takes place in Carleton Village Hall 15<sup>th</sup>-17<sup>th</sup> February and stars lots of local personalities including several of our children. Tickets can be purchased on the link below

### Parking

We have been asked by our neighbours to remind parents to park considerately at the start and end of the day. Please can we also remind parents not to park on the lane outside school as children are walking up and down here. Please help us to keep all of our children safe by taking extra care at pick up and drop off. Thankyou

Kind regards,

Mrs H Dudman

Headteacher
