

# Carleton Endowed CE Primary School

A faithful community that loves, lives and learns with hope and joy;  
where everyone is valued and encouraged to flourish.

Friday 13<sup>th</sup> December 2024

Dear parents and carers,

## SIAMS Inspection report

I am delighted to be able to attach our SIAMS inspection report with this newsletter.

It is a lovely report which sums up our school well. We are particularly pleased that the inspector commented 'Carleton Endowed School is a warm, loving, and welcoming inclusive Church school. It has a clear sense of its vision and what it aspires to bring to its community'. She also said 'The Christian value of love inspires adults and pupils to work unstintingly for the wellbeing of others. Consequently, staff feel appreciated and pupils are valued, leading to a school where adults and pupils thrive.'

The inspector met with children, staff, parents, governors, members of the church and the Trust central team. Many thanks to the parents who came in and met with the inspector, or who sent messages in.

A massive thankyou to our fantastic PTA for a wonderful Christmas Fair last Friday. They had worked so hard behind the scenes to get everything ready and the children really did have a lovely time. The class reps had put together the hampers which looked absolutely amazing, and some of our children and parents had been very creative coming up with games and craft activities for the games rooms. A special thankyou goes to Father Christmas himself, it was very generous of him to give up his time when he is so busy at this time of year! In total the fair raised over £1573 for the school. Please see the Friends newsletter below.

### Cross country

Well done to all of the children in Key stage two who took part in the cross country event yesterday. We were very proud of each of them for choosing to take part and for representing our school so well. All children did their very best, and there were some excellent individual scores which we will share once they are verified.

### Pupil illness

We have had a lot of children and staff off sick this week with some nasty illnesses. The UK Health Security Agency have produced advice on illnesses that are currently affecting nursery and school children across Yorkshire and The Humber, which we have been asked to share with parents and carers. Please find a document attached to this newsletter.

### Christmas events next week

The Christmas post-box has been in the entrance to the school all week and we have had an army of helpers distributing cards. If your child would like to write Christmas cards to their friends they can post them here on a morning and they will be delivered before the end of the day.

On **Monday 16<sup>th</sup> December at 5:00pm** we will have our Nativity in church for Reception Y1 and Y2. The KS2 children will be able to watch the dress rehearsal in the morning.

**Wednesday 18<sup>th</sup> December** is Christmas dinner day. The children are invited to wear something Christmassy if they would like to.

**Thursday 19<sup>th</sup> December** we will hold our carol concert in church with a mix of new and traditional Christmas carols. All parents and carers are welcome to attend.

## Christmas Storytime

Please find attached to this newsletter a flyer from Skipton library who are having a Christmas Storytime the Saturday before Christmas for 3-8 year olds.

## A message from FEAST: Free holiday activities and meals for families this Christmas

FEAST is back this Christmas, with a fantastic range of activities to keep your children active, fed and having fun during the school holidays. All children and young people across North Yorkshire can get involved, with free places and a free meal for eligible families, thanks to funding from the Department for Education.

If your child is eligible for benefits-related Free School Meals or is made eligible by exception (see the FEAST FAQs for details <https://northyorkshiretogether.co.uk/feast/feast-faqs/>), you should have received a voucher from their school. This will enable you to book school holiday activities that are part of the FEAST programme for free, using the online platform HolidayActivities. Watch our step-by-step guide on how to redeem your FEAST voucher and book free activities.

Don't worry if there's a waiting list - it doesn't always mean that an activity is full. To ensure that a wide range of families get to take part in FEAST, providers wait a number of days after vouchers are issued before accepting any bookings. Please request a place and you should receive a notification from Holiday Activities if your place is confirmed.

Ready to unleash the festive fun? Head over to the FEAST website now to discover all the incredible activities waiting for your child. Don't miss out on the magic – claim your free place today!
