Dear parents and carers

Year 6 Roles and Responsibilities

As part of our PSHE education, we believe that children need to experience the duties and responsibilities that come with being a member of a community in order to help them prepare to play an active role as citizens. During our KS2 Parent Worship on Thursday, our Year 6 pupils were delighted to be awarded with their own prestigious whole school role. These roles included school Prefects, Collective Worship leaders, House Captains, librarians and laptop leaders. Congratulations to all of our Year 6 pupils, we know that you will carry out these positions with great maturity and be excellent role models to others!

Drop Everything And Read (DEAR)

At Carleton School we love to read, and we especially love to share books with our friends. On a Friday afternoon we have DEAR sessions. During these sessions a younger child will share a book with an older child. The children choose a book and find somewhere to sit to share their story – everyone in school loves this special time

Christian Value

Our Christian Value this term is compassion. We have been thinking about seeing things from someone else's perspective, and trying to notice when others need our help and care. As we move towards Harvest we will continue to think about ways in which we can help and support others.

Diversity Role models

On Monday each class in KS2 will take part in an age-appropriate workshop delivered by Diversity Role Models a charity who worked with us in the summer term. All workshops include the use of Lego! Coverage will be as follows:

Year 3/4:

Lesson 1 – Diverse Families

Lesson 2 – Stereotypes

Lesson 3 – Showing your pride (including LGBT terminology and the history of the Pride flag)

Year 5/6:

Lesson 1: Diversity is our strength – celebrating difference (this session includes LGBT terminology)

Lesson 2 – Stereotypes

Lesson 3 – Building History – LGBT+ History

You can find out more about Diversity Role Models on their website.

Parent worship

Following several requests from parents all staff have agreed to try to inform parents in advance if their child will be receiving a certificate in parent celebration worship. This will only be for the main teacher certificates and won't include sports, numbots, reading certificates etc. We will try to get the information to you via email on a Tuesday. Please can we ask that you keep it quiet and don't tell your child.

Please do still come along anyway even if your child isn't receiving a certificate, it's always lovely to have lots of parents there.

Safeguarding

In our school we take safeguarding very seriously and all of our staff and governors receive training at the start of the year as well as regular ongoing update training. Our new safeguarding and child protection policy is available on the website [here](#) along with a host of other important policies and safeguarding advice.

Our Designated Safeguarding Lead is Mrs Dudman and the Deputy Designated Safeguarding leads are Miss A Roberts and Mrs Henderson. Our safeguarding governor is Ryan Cowley-Sharp and he can be contacted through the school office.

If you have any concerns about the well-being of a child please come and discuss it with us in confidence.

Young Voices 2025

If your child is in year 5 or 6 look out for the Young Voices letter coming out tonight. The administration has changed this year and instead of schools organizing tickets, t-shirts etc parents are required to book online. Mrs Prest will be in touch with more information once the consents are in, and she will be available to help if you need it.
