Dear parents and carers

It has been a very busy week in school this week and we have lots of news to share!

Crucial crew

The children from year 6 visited Crucial Crew this week where they met members of the different emergency services and learnt how to keep themselves safe in a range of different situations.

They learnt about fire safety, water safety, road safety, county lines, vaping, peer pressure and online safety.

All the children designed a poster in advance of the event, and Louis won an award for his amazing safety poster – well done Louis!

Science Week

This week has been British Science Week and we have taken the opportunity to develop the children's working scientifically skills.

Each child took part in various investigations and they have all achieved a 'Crest' science award. There were different activities and experiments ranging from raft building, camouflaging, making tea bags, making bubbles, and experimenting with materials.

Decorate your door Competition

One of our world book day challenges was for each class to decorate their door on the theme of any text of their choosing.

As you can see there were some very creative ideas and the doors look amazing, the judging was really tricky, but in the end, the extra playtime for the best decorated door went to Year 3 for their Alice in Wonderland themed door.

Cross country final

Five of our children Qualified for the North Yorkshire cross country finals which took place this week. Competitors were as follows: from year 3 Alex Davies, Year 4 Ava Wright and Harrison Wooler, and from year 6 Ned Beckett and Noah Firth. It is an amazing achievement to have made it to the finals and a big well done goes to Harrison who came 3rd overall!

Year 5 Keeping safe

As part of their PSHE, the children in year five have been learning some first aid this week and have been practicing the recovery position – maybe they can practice at home on their family!

NSPCC's Speak out. Stay safe. programme

We will be participating in the NSPCC's Speak out. Stay safe. Programme during the first two weeks after Easter. This is a programme for children aged 5-11 which aims to help children understand abuse in all its forms and to recognise the signs of abuse. Children are taught to speak out if they are worried, either to a safe adult or Childline.

This child friendly programme consists of age appropriate virtual assemblies and supporting classroom based activities, alongside NSPCC volunteer led face to face workshops for children aged 6-7 and 9-11. The content is delivered in an engaging and interactive way with the help of the NSPCC mascot Buddy. If you would like to know more about the Speak out. Stay safe. programme visit www.nspcc.org.uk/speakout.

Free holiday activities and meals for families this Easter

Please see the message below from the FEAST team:

FEAST is back this Easter holiday and better than ever, with a fantastic range of activities to keep your children active, fed and having fun during the school holidays. All children and young people across North Yorkshire can get involved, with free places and a free meal for eligible families, thanks to funding from the Department for Education.

We're turning this Easter break into an adventure-packed extravaganza. From arts and crafts to sports and beyond, there's something for every young explorer to dive into.

If your child is eligible for benefits-related Free School Meals or is made eligible by exception (see the [FEAST FAQs](#) for details), you will receive a voucher from their school. This will enable you to book school holiday activities that are part of the FEAST programme for free, using the online platform HolidayActivities. Watch our [step-by-step guide](#) on how to redeem your FEAST voucher and book free activities.

Ready to unleash the Easter fun? Head over to the [FEAST website](#) now to discover all the incredible activities waiting for your child. Don't miss out on the magic – claim your free place today!
