

# Carleton Endowed CE Primary School

A faithful community that loves, lives and learns with hope and joy;  
where everyone is valued and encouraged to flourish.

Friday 15<sup>th</sup> November 2024

Dear parents and carers

## Children In Need 2024

A big thankyou to our Class One children who organised our Children in Need day as part of their 'helping others' focus. Across the school the children have completed a number of themed activities including some craft activities, maths challenges and problems about how the money raised will be used to help others.

In total we raised £139 which will go directly to Children in Need.

## Remembrance

Last Friday the children had a remembrance service in church and on Monday we thought about children who are affected by war. After school club children decided they would like to decorate the hall cupboard with Poppies. During the 2 minutes silence the children wrote some thoughts which were put together to make one prayer which is copied below:

Dear God

We give thanks to all of the people who risked their lives and fought in the World Wars,

Help us to never forget the people who died and were injured

Bless the animals who died because of human conflict,

Help us to remember the soldiers who are fighting today, please help to keep their families safe

Please look after the refugees who have to flee their homes and please don't leave anyone behind,

Help those in need of shelter, give them food and water and a safe place to stay

Look after the children who have lost their homes and friends

Please help us to be friends and stop all wars.

Help us to be respectful to everyone and make peace in the world.

Amen

## England Rocks!

This week our older children took part in a national Times Tables Rock Stars competition. They needed to spend up to an hour on TTRS each night, to see if they could beat the highest score. Although we didn't win any of the big prizes, we were very proud of everyone who took part. The highest scorers in our school were: Cara 3<sup>rd</sup>, Lauren 2<sup>nd</sup> and Max 1<sup>st</sup>. The highest scoring class were Year 6. Well done everyone!

## Parent Forum – 6pm Thursday 21<sup>st</sup> November

This term's parent forum will take place next Thursday. All parents are welcome to come along and join us, this is an opportunity for parents to hear updates from the school and to ask any questions they may have. Richard Noake CEO of LDLT will also be joining us for the session.

## School Photographer – 21<sup>st</sup> November

On Thursday next week the photographer will be in school to take individual and sibling photos of the children. These should then be back in time for anyone who wants to send them to family at Christmas.

## Virtual Basketball Tournament

Last half term our children took part in a virtual basketball tournament against other schools in our school sports partnership. The challenge was to see how many bounces of the ball they could do in a minute. The placings for our school were:

	Year 1/2	Year 3/4	Year 5/6
<b>Gold</b>	Tommy V	Meredith C	Harvey
<b>Silver</b>	Zara	Jacob	Joel
<b>Bronze</b>	Albie	Lily D	Isaac H

The children in KS2 received their certificates in Parent worship this week. The KS1 children will receive theirs next week.

## School Administrator

As you are all aware Mrs Briggs left us at the end of last half term. We are advertising for a new school administrator to start as soon as possible. In the meantime we are lucky to have Mrs Ideson working with us one day a week. Mrs Ideson works at Christchurch school at the start of the week, so is experienced in the role. Please do pop in and say hello if you have time!

## Friends of Carleton Endowed School

Next Wednesday is the class one cake sale so please do bring some cash in at pick up time. If you are a class one teacher and you're not sure how it works, please do speak to Miss Roberts.

We are so grateful for all the hard work that the friends are putting in to all the events they are organizing for the children. Their sale at the firework display was very successful and they are now fully immersed in planning the disco. All children should have brought home a letter about the disco – please check your child's book bag if you haven't seen it!

## House points

Congratulations to Slingsby House who are our house point winners so far this half term!
