Friday 20th September 2024

Dear parents and carers

Our Year 1 children thoroughly enjoyed their first forest schools session this week. They enjoyed using magnifying glasses to search amongst the greenery and found all sorts of wildlife including frogs, various creepy crawlies and several different types of butterflies. This week they just enjoyed exploring the area and rediscovering the mud kitchen that had been hidden by weeds over the summer holidays.

Diversity Role models

This week each class in KS2 took part in a workshop with Lindsey Parr from Diversity Role Models, a charity whose vision is a world where everyone embraces diversity and can thrive. During the workshop, the children used Lego to help them explore what the word diversity means and to consider some of the different ways in which people are diverse such as race, age and gender. The children then learned the importance of respecting differences and what they should do if they see someone treated unkindly because they are different.

You can find out more about Diversity Role Models on their website.

Year 3 and 4 Basketball

Our year 3 and 4 children were put through their paces at the basketball festival at Sandylands yesterday. They were really challenged to learn some new skills and came back full of excitement about their achievements.

Young Voices 2025

Voices practices will begin for Y5 and 6 on Wednesday at lunchtime in the Year 5 classroom with Mr Poulter and Mrs Brown where the children will begin learning the songs and the actions for the event.

Teddy Bear's Picnic Reception and Y1

Our reception and year one children are very excited about tonight's Teddy bear's picnic being organized by the PTA on the school field. This should be a lovely opportunities for our new families to get to know each other and enjoy our lovely outdoor area.

Do you know anyone who would like a walk down Memory Lane?

This weekend the church are hosting a collection of treasured toys and memorable items from years gone by. They are inviting you to come and view the items and share stories of loved ones, travels, family histories and accomplishments. The flyer for the event is attached to the newsletter.
