Dear parents and carers

World Book Day

We had a really super world book day and all of the staff were really impressed by the thought, care and creativity that went into the costumes.

The older children took part in a World book day quiz led by famous footballers, with children from across the UK taking part.

All of the children took part in book themed activities and enjoyed decorating their classroom door on a book theme. Each class has a week to complete their door, with entries being judged next week.

Lent Journey

During collective worship this week we have been continuing on our Lent journey. We considered that we might need to take a first aid kit if we were going on a long journey. We thought about ways in which we can look after our physical and mental health, and the people who help us when we need support with this.

Y1 Local History

This half term our Year 1 children have been learning a little about Carleton's History and in particular the life of William Cecil Slingsby who was born in Carleton in 1849. Slingsby was an English Mountain climber and explorer who fell in love with Norway and wrote books about his expeditions there. One of our house teams is named after him. On Tuesday the children went for a walk around the village, and yesterday they visited Slingsby's grave in the churchyard.

Parent Forum

Apologies that we had to cancel the parent forum this week. We have rescheduled it for Tuesday 9th April at 5:30pm. We will be delivering updates about what's happening in school and planned changes to the behaviour policy etc. Mrs Henderson will be giving updates about the reading framework for our older children.
