

Carleton Endowed CE Primary School

A faithful community that loves, lives and learns with hope and joy;
where everyone is valued and encouraged to flourish.

Friday 8th November 2024

Dear parents and carers

I hope everyone had a lovely half term holiday, it seemed to whizz by really quickly and we have got straight back in to things in school. Lots of you will already have seen that the main corridor of the school was painted and had a new carpet fitted over the holidays, it all looks lovely and creates a fresh learning environment for the children.

Year 6 visit Eden Camp!

Please see review below by Logan and Bay in Year 6:

On Friday 25th October, Year 6 went to Eden Camp as part of our World War Two History learning. It was an amazing trip and it taught us all about the rise of Hitler and the Nazi Party and what life was like during World War Two. The museum was set inside prisoner of war huts. One hut showed us how World War Two had started and another was made to look like the inside of a German U-Boat. Our favourite hut was the Blitz hut which had sounds of bombs and people suffering. It was a little scary but it made us thankful that we didn't have to live through that time. We really enjoyed our school trip and are so grateful to Mrs Billing and Mrs Brown for accompanying us.

Remembrance

This half term's Christian value is Peace and the Year 6 children have been thinking about this in relation to their WW2 work last half term. They have been selling poppies in school on a break time and this afternoon Reverend Rod will lead collective worship about Remembrance Sunday. On Monday the children will hold a minute's silence in school, and will reflect in an age-appropriate way on the areas of the world that do not have peace.

Children In Need 2024

Next Friday is Children in Need day and the theme this year is "The Great SPOTacular Appeal Night"

Our Class One children have been looking at ways of helping others, and would like to raise money for children in need. They are asking all children to wear something yellow, or wear something spotty and bring a donation to children in need. Ella said "Everyone can dress up yellow, I'm going to wear Pudsey bear pyjamas" and William said "We could wear dots or spots or something over our eye like Pudsey Bear"

All of the children in the school will be doing activities that make them stop and think about children in this country who are having a difficult time.

Some children prefer to come to school in their uniform and that is also fine.

SIAMS Inspection

All parents should have received a letter on Wednesday informing them that we will have a SIAMS inspection next Tuesday. The inspector will look at the work of a school as a church school and measure the impact of our Christian vision. We look forward to sharing many of the special things about our school with the inspector. A report will be written and we will share this with parents once it is published.

Maths Competition

Throughout our school, we are all focusing on the importance and power of Maths. To help inspire us further, we are running a maths competition to find out how parents/ guardians or other family members use and apply maths in their daily lives. To enter the competition, children need to ask one chosen family member about how they use Maths in their job or as they go about their daily duties. They should then present their findings as creatively as they can, for example they might want to make a poster, create a mind map or construct a small presentation. Entries should be handed in to class teachers by Friday 22nd November and the winning entries from each class will be awarded a Maths themed prize. Good luck everyone!

Friends of the School

The Friends of Carleton Endowed school (FOCES) met on Wednesday night to discuss forthcoming events (see diary dates below) and ideas to improve communication and engagement with other parents. It was so lovely to see some new faces at the meeting and it is apparent that everyone is working really hard to organise lovely events for the children and fund-raise at the same time. The next event is the village bonfire and the Friends will be selling sweets and light up toys- please do support them if you see them there.

The next event in school is the disco and letters will be coming out about this shortly.

If anyone would like to volunteer to help at any of the forthcoming events please contact Natalie Wright or your class rep (if you're not sure who this is, your child's class teacher should know).

I hope everyone has a lovely weekend and those of you who are going enjoy the village bonfire
Mrs H Dudman

Headteacher

Dates for your Diary

Date	Event
Friday 8 th November	Y5 to Sandylands for a football afternoon.
Saturday 9 th November	Village bonfire – visit our PTA stall!
Friday 15 th November	Children in Need day
Wednesday 20 th November	Class one cake sale
Thursday 21 st November	Parent Forum meeting
Friday 22 nd November	PTA disco KS1 3:15- 4:30pm KS2 5-6pm
