### Year Reception Summer Term 1 Curriculum Map 2022

Curriculum Area	Topics
<b>English</b>	<b><u>Perfectly Norman by Tom Percival</u></b> Pupils will explore the story through different lenses and plot points. They will continue to investigate and develop a wide range of vocabulary and construct sentences which include feelings, actions, thoughts and noticing. Pupils will then use story language to retell the story independently.
<b>Maths</b>	In Maths pupils will carry out a unit called <b>To 20 and Beyond</b> . They will explore number patterns, ordering and missing numbers. Pupils will also explore shape and spatial reasoning. Please continue to work on their personal <b>key instant recall facts</b> (KIRFS) and develop skills on <b>NumBots</b> which will help to improve their mental calculations. It is important that they learn and practise this target at home each week as part of their Maths homework. Pupils will continue to be tested on their target every other <b>Wednesday / Thursday</b> in class.
<b>Science</b>	<b><u>Plants</u></b> In this unit of work, pupils will learn about what a plant needs to survive. They will plant a seed and care for a growing plant. Pupils will make observations about plants they can see outside and draw pictures of plants.
<b>Geography</b>	<b><u>What is so great about the UK?</u></b> Pupils learn about the country in which they live. They will learn that England is part of the United Kingdom and has a capital city which is London. Pupils will share some of the fantastic places that they have visited in the UK.
<b>Art</b>	<b><u>Art and Design Skills</u></b> Pupils will use learn to create patterns or meaningful pictures when printing. They will sketch a landscape drawing of Carleton Mill and then use block printing to finish their art work.
<b>Music</b>	<b><u>Our World</u></b> Pupils will continue to learn to sing along with nursery rhymes and action songs. They will listen and respond to different styles of music, exploring a wide range of songs. Pupils will learn to find the pulse and copy-clap the rhythm of small phrases from the songs. They will explore high pitch and low pitch using the images from songs and use the starting note to explore melodic patterns using one or two notes.
<b>P.E.</b>	<b><u>Balance, Co-ordination and Flexibility Skills, Agility, moving in a space</u></b> This half term, pupils will work on developing and mastering their movement skills. Pupils will explore equipment and develop balance, co-ordination, flexibility skills and agility through a range of games.
<b>R.E.</b>	<b><u>Where do we belong?</u></b> Pupils will explore the big question. They will learn that each and every one of us is unique and valuable. Pupils will learn that in the Christian faith, people believe that God loves each person. Finally we will learn about how Islam babies are welcomed into their faith through a ceremony, this will be delivered by a parent of Islamic religion.
<b>P.S.H.E</b>	<b><u>Relationships</u></b> Pupils will discuss their families and the jobs/activities they do to help in their families. They will learn how they can make friends to stop themselves being lonely and the impact of unkind words. Pupils will learn how they can be a good friend to one another.
<b>Computing</b>	<b><u>Online Safety</u></b> In this unit of work pupils will learn what the internet is and about the different reasons for its use. Pupils will begin to learn about how to stay safe on the internet.
