

Carleton Endowed CE Primary School

*A faithful community that loves, lives and learns with hope and joy;
where everyone is valued and encouraged to flourish*

Year 4 Summer Term 1 Curriculum Map 2025

Curriculum Area	Topics
English	We will be focusing on the story - Aladdin and the Enchanted Lamp , as retold by Philip Pullman. We will be using powerful vocabulary and a range of sentence structures and language features. We will look at story settings and then move onto writing our own narratives inspired by the story.
Maths	We will be working on Decimals this half term. We will be focusing on tenths and hundredths, and building our understanding of what these numbers mean. We will compare fractions to decimals. We will learn how to divide certain numbers by 10 or 100 to create decimal numbers. We will be working on our times tables too.
Science	This half term, we'll be focusing on our experimental skills and working scientifically . We will plan, carry out investigations and record our results in a range of ways, drawing on the topics we've already learned so far this year.
Geography	We will be studying Weather and Climate . We will look at the difference between what is meant by weather and what is meant by climate. We will look at different climate zones around the world. We will also look at how to measure weather and how to present our findings.
Art	This half term, we'll be completing a craft and design project using 'Glue Batik'. The topic is called -' The Fabric of Nature ', and will be based on rainforests.
Music	In music, we will continue working with Wider Opportunities and developing our music reading skills as well as our ukulele playing.
P.E	This half term we will have P.E. on Tuesdays with Mrs. Naisbitt and Skipton Tennis on Wednesdays. We will be working on ball skills and technique for Tennis .
R.E	This half term we'll be considering the question, What are the deeper meanings of festivals? We will look at a range of festivals from different religions, including Eid-ul-Fitr, Pesach (Passover) and Diwali.
P.S.H.E	Our topic this half term is Relationships . We will explore how to stop jealousy spoiling our relationships, before considering how grief can affect us. We will consider how friendships will change as we get older, and think about how having a boyfriend or girlfriend might be different to having a friend.
Computing	This half term we will be looking at ways of editing photos and discussing why people edit photos. We will also discuss whether all photo editing is ethical.
French	We will be working on Describing People . Children will learn how to describe their hair, eye colour, body type and clothing, and to describe other people and characters using <i>il</i> and <i>elle</i> .
